OTHER INGREDIENTS*: 96.293%
(*Filtered Water and Soap)

TOTAL: 100.00%

EPA-EXEMPT PRODUCT: This product has not been registered with the United States Environmental Protection Agency. 1st EnviroSafety, Inc. represents that this product is exempt from registration under the Federal Insecticide, Fungicide and Rodenticide Act [FIFRA §25(b)] as a minimum risk pesticide.

GENERAL INFORMATION

Purely Green dissolves most insects, scale and fungi upon direct contact or ingestion with the use of key essential oils. This proprietary blend attacks the vectors soft tissue & internal organs. Due to the nanoparticle size, product penetrates the leaf and plant tissue helping crops to transmit product throughout phloem. When insects digest any of the plant tissue they will begin to dissolve from within due to the blend of essential oils found in the product. Purely Green can be used in all crops, turf, ornamentals and in and around structures, including but not limited to, residential, commercial and agricultural buildings.

KEEP OUT OF REACH OF CHILDREN

CAUTION

PRECAUTIONARY STATEMENTS

May cause eye and skin irritation. Wear protective eye wear and chemical-resistant gloves when mixing or handling product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Product is not intended for internal use.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for several minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. If eye irritation persists, get medical attention.

IF ON SKIN: Wash with plenty of water. If skin irritation occurs, get medical attention.

Bio-Pesticide Super Concentrate

**Broad-Spectrum Contact and Systemic Bactericide,
Fungicide, and Insecticide**

- ✓ Naturally Reduce Harmful Insects & Pests
- ✓ Proprietary Blend of Essential Oils
- ✓ Readily Bio-Degradable

DIRECTIONS FOR USE

Read the entire label before using. Use only according to label instructions.

Farm & Garden: Dilute 3 fl. oz. per 1 gallon of water. **Foliar Spray:** Thoroughly spray top and bottom of leaves, limbs and stem until all foliage is wet. Repeat based on target insect's reproductive cycle.

Soil Drench: Spray soil until wet. **Purely Green** will be transmitted into the plant & leaf tissue for systemic control. When consumed by insects, it may dissolve their internal organs. **For Nematodes and Root Fungus:** Soak the soil and roots well enough to reach the targets. Repeat quickly after eggs hatch.

Trees (Fruit, Nut & Berry): Best results on mature plants & trees, dilute 3 fl. oz. to 1 gallon of clean water, spray leaves, trunks and soil until drenched. For application on young seedlings, dilute 2 fl. oz. of product to 1 gallon of clean water and apply as foliar and soil drench every 2-4 weeks or whenever insects or pests are present.

Residential, Commercial and Agricultural Buildings: Dilute the product at 1 - 2 fl. oz. per gallon of water and spray, brush or hose down areas to be cleaned. Rinse with water after cleaning to ensure a clean surface.

Household Pets and Livestock: Dilute the product at 1- 2 fl. oz. per gallon of clean water. Spray or bathe animal, avoiding the eye area, to control pests such as fleas, hoof rot, mange, parasites, scabies and ticks. Product can be left to dry on animals or rinsed with clean water.

Post-Harvest: **Purely Green** may extend produce freshness for 3 to 5 days. Dilute the product at 1 fl. oz. per gallon of clean water and spray or dip crops in solution to remove excess chemical or surface dirt. Rinse with water thoroughly before consumption.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal. Store in original container in a cool, dry area away from children and pets.

CONTAINER DISPOSAL: Do not reuse empty container. If empty, offer for recycling if available or discard in a sanitary landfill.

PESTICIDE DISPOSAL: Dispose of contents/container in accordance with local regulations.

The buyer and user assume all risk and liability of use, storage and/or handling of these products not in accordance with the terms of the product labels. 1st EnviroSafety, Inc. makes no Warranties of any kind, express or implied with respect to this product. 1st EnviroSafety's obligations are limited to replacement of product for defective material only. 1st EnviroSafety shall not be liable for any injury, loss or damage directly or consequently arising from the misuse or inability to use the product.
